AP-MS5

Mini Magnetic Stirrer

The **AP-MS5** mini magnetic stirrer is a compact, yet powerful device for scientific research, industrial procedures, agriculture, wineries, health, and medicine. The **AP-MS5** offer a robust design, high versatility and is simple to operate. Its brushless motor runs smoothly, is exceptionally quiet and offers a long service life.

AVANPRO is the registered trademark of **AVANPRO, Corp.** Avanpro follows a policy of continuous innovation. Product designs and specifications are subject to change without notice.

AP-MS5

Mini Magnetic Stirrer

TECHNICAL DATA

Stirring positions	1
RPM	350 - 1800 rpm
Max. volume	2L (H ₂ O)
Plate size	135mm
Motor type	Brushless motor
Rotation direction	Clockwise
Control	Rotary knob
Operating environment	5° - 40°C / 41° - 104°F
Relative humidity	80%
Power supply	110-240V, 50/60 Hz
Dimensions	168 x 160 x 47mm / 6.6" x 6.3" x 1.9"
Weight	2.5kg / 5.5lb
Warranty	1 Year

ACCESSORIES INCLUDED:

- Magnetic stirring bar
- Power adapter
